CPC Purchase of Permanent Water Entitlements

CPC intends purchasing 100 ML of permanent water entitlement to participate in the **South Australian River Murray Sustainability – Irrigation Industry Improvement Program (SARMS) Round 4**. The entitlements will be purchased at market price. The attached Waterfind Water Market Summary Report sets out the current market pricing.

CPC wishes to provide its shareholders with the first opportunity to sell this water to CPC if they wish. **Please note that this arrangement will have no impact on other contractual arrangements between CPC and any customer who may/may not choose to offer water entitlements.**

If interested, please respond by filling out and returning this “Expression Of Interest” (EOI) form by close of business Monday 26th June to the CPC office.

Any sales/transfers will be transacted after 1st July 2017 and the seller should indicate if the water entitlement is required by the seller for the coming water year. CPC anticipates paying for the water on 7 July 2017.

CPC will select the water entitlements offered that are the most financially beneficial to CPC as a whole and reserves the right to purchase from the open market if appropriate pricing/terms cannot be secured via this EOI process.

If you require any information please contact Mike on 0427 777 901.
